### Tips to Personalizing Your Space

■ **COLOR SCHEME**

Use office & desk accessories to accent with color.

■ **ACCESSORIZE**

Add framed photos, a vase or small sculpture to your desk and/or hang wall art.

■ **LIGHTING**

A small table lamp with a natural-light bulb will add warmth to harsh fluorescent lighting.

■ **ADD SOME LIFE**

Plants can liven up your office environment and your mood.

■ **DON'T FORGET THE CHAIRMAT®**

Add personal style with a printed mat in colors and designs that harmonize with your color scheme.

■ **ORGANIZE**

Keep your workspace tidy with coordinating hanging wall files, storage cubes and desk accessories.

■ **DON'T OVERDO IT**

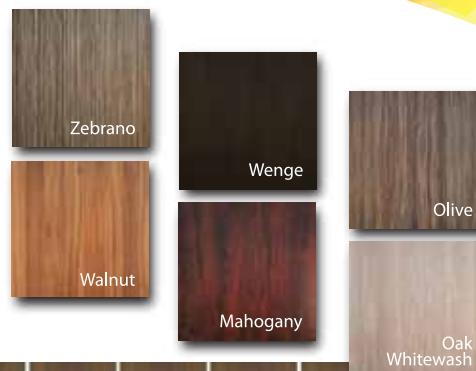

Too many accessories can create clutter. Remember to keep it simple.

### Transform Your Space From Drab to Dramatic...

Decorative Wall Panels are a stylish way to add the rich look of wood to ordinary walls. Use panels as an accent or in a large grouping for a stunning focal point. Do-it-yourself panels are easy to install on any wall surface.

**MAKEOVER ANY SPACE:**

- Lobbies
- Conference Rooms
- Offices
- Executive Suites
- Break Rooms

### Protect & Personalize...

The Harbour Pointe™ Chairmat Collection is a great way to add fun colors and contemporary designs that protect your flooring. Ten new printed designs add a warm personal touch to any office setting.
