

# PREVENT WEAR & TEAR

to carpet and hard floors

deflecto®

don't forget the  
**chairmat**

Do not remove tag prior to delivery.

## chairmats

Keep your floors looking new!

The rolling casters of a chair can tear and pull at carpets or create marks in hard floors, but a chairmat acts as a line of defense against any damage. They also help your chair roll smoothly, helping to prevent any unnecessary strain.

Don't let this happen to your flooring!

Save Your Surface™

are available through:

Scan to choose the chairmat that is right for you.
